2017
JPL

Postdoc Research Day

Wednesday, August 16, 2017
10:30 A.M. - 3:30 P.M. Poster Session
3:15 P.M. - Winners Announced

JPL Mall Area
4800 Oak Grove Drive, Pasadena

All interested students, postdocs, researchers and faculty are invited to attend the 2017 JPL Postdoc Research Day.

There will be over 70 posters on display in the following disciplines:

- technology, instrumentation and engineering
- astrophysics and space science
- earth science and
- planetary science and life detection.

This is your opportunity to meet with postdocs who are conducting research strategically important to JPL/Caltech and NASA.

The posters will be available from 10:30 a.m. to 3:30 p.m. Postdocs will be onsite to answer questions throughout the poster session.

This is an excellent opportunity to see first-hand the latest results from these early career hires, and to learn more about the various postdoctoral fellowship opportunities available at JPL.

Transportation will be provided to and from JPL.
