All interested students, postdocs, researchers and faculty are invited to attend the 2018 JPL Research Poster Conference.

There will be over 260 posters on display (see the KISS website for a poster list) in the following disciplines:

- technology, instrumentation and engineering
- astrophysics and space science
- earth science and
- planetary science and life detection.

This is your opportunity to meet with researchers who are conducting research strategically important to JPL/Caltech and NASA.

**Registration is required by Nov. 5th for this event; to register, please go to [kiss.caltech.edu](http://kiss.caltech.edu).**
